TO WHOM IT MAY CONCERN

This is to certify that **Mr. ARNAV BHATIA** S/o Mr. Sanjay Bhatia and a student of Army Public School, Ambala Cantt has volunteered in various covid relief activities and vaccination camps organized by Rotary Club, Ambala, he also actively contributed in the club's "Save Environment" initiative from July 2020 to June 2021.

In the covid relief camps, covid vaccination and covid testing was provided free of cost to poor and underprivileged people.

Arnav was assigned the honorary duties of creating covid awareness in the most vulnerable parts of the society some of his responsibilities included convincing people to get tested in case they have any covid related symptoms and creating awareness about the importance of getting vaccinated. He also played an active role in organizing the vaccination and relief camps.

Under the club's "Save Environment" initiative trees were planted at different places in the city of Ambala Cantonment.

Another very important activity under the Rotary Club's initiative was to discourage the use of single use plastic (polyethylene bags) among the shopkeepers and street vendors.

Arnav actively participated in the tree plantation drives organized by the club.

Arnav was given the responsibility of creating awareness among shopkeepers and customers against the use of single use plastic and its dangers to our environment.

He also actively contributed in cloth and biodegradable bags distribution initiatives of the club.

Arnav's sincerity, dedication and selfless approach is appreciated by one and all in our organization. We wish him all the best for his bright future.
